Alex Rivera - Senior Data Scientist

alex.rivera@example.com | +1 234-567-8901 | linkedin.com/in/alexrivera

---

PROFESSIONAL SUMMARY

Experienced Machine Learning Scientist with 4+ years of expertise in NLP, predictive modeling, and deep learning pipelines. Proven track record in training and deploying PyTorch and Scikit-learn models to production on AWS cloud.

TECHNICAL SKILLS

Python, Scikit-learn, PyTorch, TensorFlow, Pandas, NumPy, NLP, Deep Learning, SQL, Docker, AWS, Git, Matplotlib, Data Analysis

WORK EXPERIENCE

Lead AI Engineer at Alpha Tech (2021-Present): Designed transformer-based NLP classifiers with 94% precision. Integrated real-time inference with FastAPI and Docker. Data Scientist at DataCorp (2019-2021): Optimized data pipelines with Pandas and SQL.

EDUCATION

B.S. in Computer Science - University of Technology (2015-2019)
